

PRESS RELEASE

28th July 2014

MP Real Estate - on the move

MP Real Estate, the specialist Cambridge based Property Investment and Development consultancy, has recently moved office.

Established two years ago by Andrew McGahey and Neil Perrin, MP Real Estate occupied offices in Mill Lane but has now relocated to St Edward's Passage - opposite King's College.

The freehold of 10 St Edward's Passage is held by Corpus Christi College and is home to the Corpus Christi Playroom, an intimate studio venue in the heart of Cambridge where the College drama society, the Fletcher Players, are the resident company.

Commenting on their move, Neil said "The last two years have flown by and we have been extremely busy working in an improving commercial property market with our core retail and leisure clients, Aldi, Costa, Marstons, Mitchells and Butlers and Premier Inn who all have positive growth programmes".

Andrew commented "The commercial investment market, led by the institutional retail funds, has been particularly active in the last 12 months and Cambridge has been a target area seeing over £400m of transactions - the latest being the sale of Cambridge Retail Park to Standard Life for £110m.

MP Real Estate is based at 10 St Edward's Passage, King's Parade, Cambridge, CB2 3PJ
